

The Lake you Love wants your Support
Magician Lake Improvement Association
Membership Invoice

The Magician Lake Improvement Association Board is a volunteer group focused primarily on the health and well-being of Magician Lake. The goal of the Association is to be proactive and initiate programs that support the health of the lake, safety on the water, and to offer activities of interest to MLIA members and all lake residents. All of this is accomplished through our membership drive. Please help us with our mission by becoming, or renewing, a MLIA membership.
